Hi S,

I hope you are keeping well?

Sorry for the delay in getting back to you, but we needed some guidance from our communications team to advise you with your query.

They are aware this person is frequently posting on social media stating that CCBC support her, which we don't.

They have found this link Online if someone wants to complain about a charity.

https://www.fundraisingregulator.org.uk/complaints/make-complaint

I hope this is of some use to you and thank you for your enquiry.

Kind Regards

Mark Robbins
