We have a website and a Facebook page, anybody can take a picture of the building, but the charges you quoted haven't been used for years there's been two increases since then. I haven't had any enquiries from them, if I had they would have the correct charges.

Going by the charges they may have enquired then but that could go back years (before covid)

Checking my diary we had a Baby Shower booked for Sunday 1st, March. I've just looked on the page and it is our hall.

That booking was short notice, but she told me they had been let down and it was for a baby shower no charity was mentioned and the full rate was paid.

They posted images from the venue on Sunday. This is pretty strange? Do you have someone to confirm how they acquired the location. It's publicly available on their profile page and their sons page at

Hi

Do you have any dates I've been working voluntary for the centre for over 15 years and I've never heard the name and I've certainly not sent invoices to that name.

We had no booking for 02.03.26

Any news regarding this query? Our goal is public safety and disclosure. We've sent FOI requests to the local council to confirm whether the venue was supplied by the local council as stated on the Jayne's Baby Bank Facebook page.

Regards.

Subject: Request for Confirmation of Room Hire Rate

Dear Sir or Madam,

We are writing to request confirmation regarding a room booking at Trecenydd Community Centre, located at 37 Second Avenue, Caerphilly, CF83 2SN.

Our records indicate that a time slot between 11:00 am and 1:00 pm today was leased to Jayne's Baby Bank, operated by Carrie-Anne Ridsdale. We understand that the standard room hire rate is £12.00 per hour, with a reduced rate of £7.00 per hour available to registered charities.

As part of an ongoing investigation, we are documenting activities publicly presented as charitable endeavours where no registered charity status is recorded. For accuracy of our records, we would be grateful if you could confirm:

1. Whether Jayne's Baby Bank hired the room for the stated time period today.
2. Whether the booking was charged at the standard rate or the registered charity rate.

This request is made solely for factual verification and record-keeping purposes.

We appreciate your assistance and look forward to your confirmation.

Yours faithfully,

Charlotte Holmes
