**Why it matters to a landlord:** a judgment is registered under the name in the claim, and the register is searched by name and address. A search for “Jayne Price” would not find a judgment against “Ceri-Ann Ridsdale”. Every lease of hers we have seen names her personally as the tenant, spelled differently each time.

## HER STATEMENTS ABOUT RENT

---

- 15 Jun 2026: “We have always paid our rent and have statements to prove it.”
- 8 Sep 2026: “None of these landlords/electicility companies/ councils have ever taken me to court for non payment of rent, business rates, electricity.”
- 26 Sep 2026 (video, of a Pontypool shop where, she said, the landlord “weren't doing the work”): “I tell you, I didn't pay it because I didn't think it was worth it.”
- 3 Oct 2026: “Aberbargoed £400? paid in full - as long as lease stated.” (The £7,141 judgment for that unit is unpaid.)

## PLANS FOR THE NEW PREMISES, AND SAFEGUARDING

---

Of a building she viewed on 15 Sep 2026 she wrote: “Spare rooms for activities and groups!” She has announced a children’s club 51 times since April 2024 ([report, 4 Oct 2026](#)). In September we reported that a man jailed in 2013 for sexual offences involving a child had been working and living at her Pontypool premises; she denies he lived there ([report, 13 Sep 2026](#)). We do not suggest any connection between him and any new premises. Concerns about a child’s safety: Gwent Police, 101 (999 in an emergency).
