Hello,

I am contacting you to enquire whether your organisation, department, or any associated staff have any affiliation, partnership, referral arrangement, or working relationship with Jayne's Baby Bank.

The reason for the enquiry is that material relating to antenatal services and breastfeeding workshops, including content associated with your health board and facilities, has been uploaded and shared by Jayne's Baby Bank on social media.

I would appreciate clarification as to whether this content sharing is officially authorised, supported, or affiliated in any capacity.

Thank you for your time and assistance.

Kind regards,
