Subject: RE: Fraudulent charity on your listing.

Hello

Many thanks for your email and sharing your concerns with us.

The nominations form on our website links to the charity commission databases of registered charities in the UK and ROI - plus a few non registered charities which are added periodically. This is simply in place to aid the nominations process.

Please rest assured that we do appropriate checks and due diligence with every organisation drawn as a winner to ensure they are legitimate. Only once these checks are complete are any funds transferred.

I hope this helps and thanks again for sharing your concerns.

Best wishes,
Movement for Good team

Subject: Fraudulent charity on your listing.

Dear Benefact Group,

I am reaching out to bring to your attention a fraudulent local charity, "Jayne's Baby Bank," which is listed in your "Nominate a Charity for the £1,000 12 Days of Giving" initiative.

We have created an exposé website, available at https://jaynesbabybank.co.uk/ <https://jaynesbabybank.co.uk/> , which includes statements from local councils and the Charity Commission disputing the legitimacy of this organization and its public claims.

We strongly urge you to review this matter and consider removing the charity from your list. Should you have any questions or require further information, we are happy to assist.

d regards,
